## Thirty Years Of Service

# Head Janitor Hansen Retires

Forty years of service to MSTC is the record established by retiring Chris Hansen and wife, Ellen.

Chris was head custodian and retired November 30, 1956. His days at MSTC began in August, 1926. Mrs. Hansen began working in the student center September 1943 and worked a total of nearly ten years until she retired at the end of spring quarter, 1956.

Hansen's white head was familiar to everyone as he went about his duties, which included fixing chairs, doors, lights, etc. in all the buildings. As head custodian he laid out the work for the entire janitorial staff.

A big smile and an equally large bit of humor are what students remember about Mrs. Hansen. Anyone who was at school at the time was handed a witticism along with his change at the center, and had many good laughs over Mrs. Hansen's remarks.

Hansen's loyal and continual service is exemplified by the fact that he has accumulated the maximum number of sick leaves without using them.

A permanent cottage in Park Rapids is the place of the Hansen's retirement.

Monday afternoon, December 10, at 3:30 a combination birthday party for Mr. Hansen and recognition for the service to the school of the husband-wife team will be held in Ingleside. All members of the staff have been invited to the program.

MRS. ELLEN HANSEN, 9 years, 9 months in the Student Center.

In charge of the arrangements for the recognition is Harold B. Addicott, assisted by Mrs. Gladys Johnson, Dr. A. L. Knoblauch, Mrs. Hazel Barker, Dr. William E. Gillis, and Ben Grier.

Coffee will be served by Mrs. A. L. Knoblauch, Mrs. Ben Grier, Mrs. Roy Jacobson, and Miss Flora Frick. Hostesses for the event are Mrs. Gladys Johnson, Mrs. Hazel Barker, Miss Carol Stewart, and Miss Karen Kivi.

Music during the coffee hour will be provided by Dr. Franklin P. Batdorf at the piano.

CHRIS HANSEN, 30 years, 4 months as janitor.

## New Instructor Hired; Miss McKellar Returns

Changes in the college faculty for the fall quarter include the addition of Mrs. Ruth Olsen to the Communications staff and the return of Miss Jesse McKellar to the Physical Education Department.

Miss McKellar has returned to her position as physical education instructor after a quarter's leave of absence owing to illness in her family. During her absence, Mrs. Kathleen Nelson took her place temporarily in the physical education department.

Mrs. Ruth Olsen, who will teach communications in the college, has been a resident of Fargo for six years. She received both her BS and MA degrees in education from the University of North Dakota, and she has done graduate studies at the Universities of Chicago and Minnesota in social work.

Mrs. Olsen has been occupied primarily as a social worker although she has also taught. She was associated with the State Welfare Board of North Dakota for several years and has worked with both the Barnes County and Cass County Boards.

Immediately before joining the MSTC faculty, Mrs. Olsen has been engaged mainly with caring for her three children and her home in Fargo.

## ACE 'Book Fair' Features Exhibit For Youngsters

A Book Fair has been held at the MSTC campus school library starting December 5 and running through today.

Displaying children's books in recognition of Children's Book Week, which was last week, the fair emphasizes the importance of books in the education of a child. The fair is designed to bring the attention of parents and visitors the many good and worthwhile children's books.

The Book Fair is sponsored by the Association of Childhood Education, a student organization on campus. The books were selected by a committee from ACE in co-ordination with Miss Dorothy Jefferson, campus school librarian.

It will be open to the public from 3 to 5 and from 7 to 9 p.m. today, the last day of the exhibit.

Selected books are arranged in several categories, some of which are science, family, poetry, pre-school, primary, and intermediate.

Orders will be taken by members of the ACE for any of the books shown in the exhibit.

## Seniors To Sponsor Christmas Formal

A Christmas formal dance will be held on December 15. This will be in place of the annual Twelfth Night Dance.

The dance will be sponsored by the student commission. The senior class is in charge of arrangements.

The dance, which is a date affair, is formal. Music will be provided by Ed Brekke and his orchestra. Dancing will be from 9 to 12.

Admission is one dollar or presentation of MSTC activity ticket at the door.

## MS Honors Hansens For 40 Years' Service

THE CHRIS HANSENS

Few men, or women, have lived and served an institution throughout all of its modern history — and it is even rarer when a husband and wife team give over forty years of their lives in devoted service to one institution. In the case of Mr. and Mrs. Chris Hansen that is exactly what has taken place. Not only was this service dedicated but it was efficient and unusually praiseworthy.

Very soon now we shall be setting aside a very small portion of one day in order to honor those who have performed so well all of their duties in connection with the State Teachers College at Moorhead.

Indeed there will probably never be another Chris Hansen team that will be as effective as the combination we are now honoring. To the Hansens we say a sincere "thank you" and we wish you well in the many years that lie ahead — you richly deserve this much on our part.

A. L. Knoblauch, President

## Annual Euterpe Concert To Usher In Christmas

The seventy-voice Euterpe Singers organization, under the direction of Dr. Maude Wenck, will present their twenty-sixth annual Christmas Concert on Wednesday night, December 19, at 8:00 p.m. in Weld auditorium.

Climaxing a busy season for the Euterpe Singers, the Christmas concert will usher in the Christmas season for students, faculty, and friends of the college.

The program will feature Christmas selections by Dickinson, Franck, Malin, Yon, Davis, Rubinstein, Work, and a cantata by Coerne. As in previous

concerts, the Euterpe program will include a group of popular Christmas songs.

Singing solo selections in the concert will be Bonnie Short, Harriett Gohdes, Fran Berkley, Eunice Mickelson, Ellen Greenwood, Ellen Merckens, Bette Wohlenhaus, and Elizabeth Bockes. Miss Mildred Holstad of the music department will accompany the singers.

Two ensembles, an upper-class and a freshman group, will take part in the concert.

On the following day, Thursday, December 20, the Euterpe Singers will make a recording of the concert with radio station KFGO, which will be aired on Christmas eve as part of a joint college Christmas music program. Each of the three Fargo-Moorhead colleges will provide thirty minutes of music for the broadcast.

Town and Country Flowers will decorate Weld Hall in a red and white motif for the concert.

After the Christmas holiday, Euterpe has plans for a number of appearances at the college and before various organizations in the community.

President of the student organization is Lorraine Vogel; secretary-treasurer is Sue Albright; and Lucinda Ochs and Janice Dodge are librarians.

All college students and faculty members are invited to attend this concert, annually presented by the Euterpe Singers, an all-girl music organization, before the Christmas season.

## Pep Rally This Morning

A pep assembly will be held today at 11 a.m. in Weld Auditorium.

Coach Larry MacLeod will present the basketball team and tell about the new basketball rules. The cheer leaders will present new yells to the student body. A skit will be given by the pep club.

The purpose of the assembly is to arouse school spirit in the student body and faculty.

The Pep Club will sponsor a dance following the Michigan Tech - MSTC game tonight in the big gymnasium. A dance was also held after the Mayville game Wednesday night.

An assembly program is being given by the Pep Club today at 11 a.m.

## KMSC Installs New Transmitter

KMSC will begin broadcasting Monday, December 10, on their regular schedule. KMSC is at 650 on your radio dial.

AS WE SEE IT

We should like to take this opportunity to acknowledge a thank-you letter from the children of the first grade at the campus school. The letter was written to thank the *Western Mystic* for the newspapers printed for the Dragon's Other Eye and for the copies distributed in the campus school.

Written in childish handwriting and signed by all the members of the class the letter expresses the gratitude of these children very well.

We should also like to comment on the very commendable action taken by the Junior Red Cross group at the campus school. They have earned \$22.28 for relief of the refugees from the Hungarian revolution.

This action puts them ahead of everyone, even the Clay County Chapter of the Red Cross. They have asked for co-operation from the teachers and students of the college. Their plea for co-operation appears elsewhere in this issue of the *Mistic*.

We feel that their efforts are worthy and are the sort of thing that can make the enslaved people behind the Iron Curtain realize that the Americans are supporting them.

Perhaps some organization on campus could put a feather in its cap by sponsoring a similar move among college people. We could do well to copy these children.

Three Decades Ago  
It Happened In 1926

...The big battle is over and the existing three-year tie between the Cobbers and the Peds is broken! Coach Nemzek's lads, with a determination that was not to be denied, pushed over two touchdowns, defeating the Cobbers 12 to 0 on last Friday.

...The active and alumnae members of the Gamma Nu sorority were entertained by the "rookies" at a delightful four-course dinner on Saturday evening in the Domestic Science rooms at 5:30.

...The most absent-minded person we can think of was the professor who, thinking he had left his watch at home, reached into his pocket to see if he had time to go back after it.

...MSTC faculty and students had a reunion at the MEA in St. Paul. It was held at the St. Paul Athletic Club on Friday at 5:30 p.m. Immediately following the reception a banquet was given for sixty guests.

The singing of MSTC songs was part of the program, and it was when they were singing the "M.S.T.C. March" that a telegram was received announcing the victory of MSTC over Concordia College. The song was interrupted by the reading of the telegram of congratulations was sent to Coach Nemzek: "Yea, Peds! News of your victory was second course of banquet. Did we yell? Ask St. Paul. You make us proud to be MSTC alumni."

Junior Red Cross Starts Drive For Hungarian Relief Funds

A NOTE FROM THE JUNIOR RED CROSS

The Junior Red Cross of MSTC Campus School has just finished a money drive for the Hungarians. We so far have earned \$22.28. This money is going to Hungary for medical supplies. We would like to invite the teachers and students of MSTC to join with us in helping the Hungarians people. You may send your money to us care of Miss Ujlaki or Miss Scherfenberg.

Sincerely yours,  
Junior Red Cross  
Virginia Richter  
Gordon Eid  
Kathy Hobbs

The Junior Red Cross conducts various relief projects during the year, and for the past few years has conducted an annual Korean Clothing Drive. This year, upon a suggestion made by a third grader, it was decided to send the clothing to Hungary instead, as their need was more immediate. However, a call to the local Red Cross chapter proved that only

Sinfonia Pledges Begin Initiation

On Thursday evening, December 6, at 8:30 p.m., Phi Mu Alpha Sinfonia held its regular meeting. At this meeting the new pledge class were given their instructions, and a "Pledge-Advisor" was appointed for each pledge. These pledge-advisors will assist the pledges in the coming two weeks of initiation with formal initiation being held on December 16.

All members of the fraternity are required to write a melody for a new school song. These melodies were heard Thursday evening and will be judged by the members of the music department.

Survey Shows Students Use Library During Evening

How many students use the MSTC library at night? That is the subject of a recent survey made by the library personnel.

Checks were made during the entire month of October at two different hours, 7:30 and 8:30 in the evening. Statistics were compiled to show the total number of students in the library at those times and the number of faculty members present.

The count at the 7:30 hour ranged as high as 58 students, with an overall average of 37. At the later hour, figures reached a high of 65, with an average of 42.65.

Faculty members apparently do not use the library as frequently as students during the evening hours. Over-

money could be sent to Hungary because of the Communist block so they launched a two-day Hungarian relief drive on the day previous to and the one following Thanksgiving.

They collected \$22.28 which will be used to provide medical supplies and polio serum for the Hungarian children.

The Junior Red Cross council is

composed of two members from each grade from kindergarten through the twelfth grade, and is under the supervision of Miss Ujlaki and Miss Scherfenberg. The temporary chairwoman is Virginia Richter.

MSTC students and faculty members interested in this drive may leave their contributions at the *Mistic* office marked "Hungarian Relief."

Commission Initiates Amendment Action

The Student Commission has studied its constitution and has recommended some amendments to bring it up-to-date. The student body will vote on them on Monday, December 17. For two weeks before the election, these proposed amendments are being

posted on the all-college bulletin board and published in the *Mistic*. To amend the constitution, approval by two-thirds of the votes cast is required.

Speech Minors Asked To Report

All students who intend to minor in speech or who are at all interested are requested to contact Mr. James Highlander within the next week.

Highlander would like to meet with the speech minors to determine who is in the program and what their specific needs and interests are. An attempt is being made to coordinate the speech program with the wants and needs of the students and to assist them in planning for future courses.

A number of speech courses are offered throughout the year and the enrollment in these classes indicates an increasing interest in the speech program. In the future a record will be kept of the needs of individual speech minors, and they will be considered in scheduling.

These are the proposed changes:

Article VIII, Section III entitled Secretary-Treasurer. Change to Section III, Secretary; Section IV, Treasurer.

Article VIII, Section V entitled The Commission. Omit number two that states "The Commission shall be responsible for trying to distribute the student load in extra-curricular affairs."

By Laws, Section IV, Commission Appointments and Duties. Omit numbers nine and ten, which read:

9. The Commission shall prepare, at the beginning of each school year, a schedule of the weekly meetings of all extra-curricular organizations.

10. At the beginning of each quarter or before, the commission shall prepare a skeleton program. All organizations shall consult the committee on social affairs for dates for school functions.

To Section IV of the by laws, add:

9. Bulletin Board Committee: Within two weeks after the Installation of the Student Commission, the Publicity Commissioner shall appoint two students to keep the all-college bulletin board up-to-date and orderly.

Marketing Class Tours Agsco Co.

Mr. Stan Mickelson of Agsco, Inc., Moorhead will discuss his firm's marketing aids to small retailers prior to a case study of Agsco's methods by the students of Marketing II. Mickelson will speak to the members of the class next Tuesday, December 11.

His discussion is designed to brief the students on methodology and to answer questions prior to a field trip to the firm the next day.

# Basketball Team Tips Mayville In Wednesday Night Game

The Dragons basketball team romped to its third win in four games Wednesday night as they defeated Mayville Teachers 78 to 57.

The Dragons opened up fast and kept building up a lead throughout the game. Early in the first half the score ran to 21 to 2 in favor of the Dragons before MS began to substitute. MS led at the half 43 to 18.

Three Dragons hit the double figure mark with Bolger leading the way with 16. Ken Reitan scored 12 and returning guard Dale Serum hit for 10. Dennis Anderson and Alden Holte each had 9.

With his 16 points Wednesday evening, Lowell Bolger took over the scoring leadership from Ken Reitan 58 to 57. Sherm Moe is third with 47, followed by Alden Holte with 35 and Denny Anderson with 32.

## Dragons Win Two Of First Three

A tight scoring race appears to be in the offing for the 1956-57 MSTC basketball season. In three games during the past week and a half, Dragon cagers have chalked up 245 points as they won two and lost one.

In each game at least four players have scored over ten points for the Dragons. After the first three games, Kenny Reitan leads in the scoring race, with 45 points. Following closely are Lowell Bolger with 42 and Sherm Moe with 41.

### Moe Leads Scoring As Wahpeton Falls, 89-46

The MSTC Dragons opened the season against the Wahpeton Science Wildcats a week ago Monday and came through with one of the most lop-sided decisions in recent years in defeating the Wildcats 89 to 46. Coach Larry McLeod sent 11 men into the fray which saw the second string members play better than half the game.

Forward Sherm Moe led scoring with 17 points while the other forward Lowell Bolger hit for 15 as did Alden Holte, reserve forward-center. Ken Reitan hit for ten to round out those who scored in the double figures.

### Reitan Leads Dragons To Second Win, 92-72

Friday the Dragons took care of the invading Manitoba Bison to the tune of 92 to 72. The 92 points the Dragons scored against Manitoba was the second highest total ever scored by an MSTC team. The only higher total was the 109 posted by the Dragons against Winona Teachers last winter.

The well-balanced Dragons had five players in the double figure column and a sixth, Denny Anderson, with nine points. Kenny Reitan led in scoring with 17 points and was followed closely by Glen Anderson with 16. The two forwards Sherm Moe and Lowell Bolger hit 14 and 13 respectively, while reserve Alden Holte hit in the double figures for the second straight game with 11.

### 4 Hit Double Figures As MSTC Loses, 66-64

Saturday night the Dragons suffered their first defeat of the season. At Aberdeen the Northern Teachers College Wolves eked out a 66 to 64 win over the Dragons. After shooting

over 44 percent in the first two games, the Dragons ran into a little shooting trouble and ended up the evening shooting at 38 percent.

The game was close all the way with MS sometimes holding leads up to four points and the Wolves getting leads up to eight points. The Wolves held their eight-point lead with less than two minutes left in the game. The Dragons were not to be denied as they came storming back to close the gap to 66 to 64 with seven seconds left.

When the Wolves took the ball out Sherm Moe tied up the Wolves guard near the MS free throw circle and the Dragons called time out. With time back in play the officials decided that the jump would be at the center circle. Denny Anderson got the tip and gave the ball to Kenny Reitan. He set and missed the shot as the buzzer went off. In a similar situation Kenny hit for two points from the center circle at the half to tie the score at 36-36.

Kenny Reitan led in scoring with 18 points followed by Lowell Bolger and Phil Kieselbach. "Boots" played his best game of the year as he hit four out of ten field goal attempts and hit six free throws. Sherm Moe, playing with an injured right leg, scored ten points to make it three straight games in which there were at least four players in the double figure column.

## Radio Waves

### KMSC CORNER

The new transmitter is now located on 3rd floor of Ballard Hall and this should greatly improve the coverage of our campus radio.

Plans are under way for the first annual KMSC Christmas Party. The party will be carried over the KMSC radio and broadcast on Wednesday or Thursday, December 19 or 20.

Chuck Agnew, Jim Heifort, and Henry Hettwer have left the KMSC staff and replacements include Dick Bowden. Don Dahlquist has taken over the 11 to 1 shift of Agnew's and Heifort's show has not as yet got a replacement. Adams is now also working on the 11 to 1 shift on Wednesday.

Duane Eide's show has been increased 46 minutes by the absence of Wayne Page. Eide's show will now start at 9 p.m. on Wednesday.

Watch the mail boxes for complete new winter radio schedules which will be distributed shortly.
